

German cable supports and trays

Overview

In this article, we'll take a look at some of the top cable tray manufacturers in Germany, including Pohlcon, Duelco, Bayka, and others. These manufacturers offer a range of cable trays and related solutions designed for industries such as construction, automotive . Cable trays are an integrated, highly flexible cable support system when used in combination with the matching support structures, covers and system-specific accessories. They are available in perforated (RG) or non-perforated (R) versions, in heavy-duty versions (RS/RGS), for use under sprinkler. The cable tray system offers maximum flexibility and cost-effectiveness. Sizes and designs can be individually selected and special dimensions are available on request. We are a full service provider, specialising both in cable management for ceilings, walls and floors. Belden is a global manufacturer that offers a comprehensive range of products, including cable management solutions, which likely encompasses cable trays.
