

MX Series Lighting Distribution Boxes

Overview

Regardless of application, these Distribution Boxes support standard (on/off) or dimmable lighting control in emergency or non-emergency versions. Controls 2 groups of luminaires independently of each other. Essential/Non-essential supply. Discover projects all over the world that use our carefully matched lighting solutions. It is mainly used in railway, electric power, metallurgy, petroleum, petrochemical, chemical, iron and steel, aviation, ships and various factories. Electrium's Wiring Accessory Product Catalogues will be available for a period, following our withdrawal from the wiring accessory market at the end of 2025. Whether you're installing LED Lamps, LED Tubes, Fluorescent Bulbs & Lamps or heavy-duty commercial lighting, our distribution solutions ensure. The XXM series lighting and power control distribution boxes are available in three variants: universal type, outdoor type, and transparent window type. They can be designed for either surface-mounted wall installation or concealed recessed installation based on user requirements.
